

Versatile Aerial Instructor & Admin Assistant

Are you equally good in a circus room as you are in front of a computer?

Aerial Angels is seeking a dynamic Instructor to join our team of Teachers, along with assisting our Administration team in the office.

The successful applicant will have high energy, enthusiasm, a positive outlook and charismatic teaching style.

Other skills required:

- Substantial experience both performing and teaching Aerial including Silks, Lyra and Trapeze to both children and adults (other apparatus highly regarded)
- Ability to conceive and build both ensemble and solo circus acts
- Superior customer service skills that will make our students and carers feel welcome
- Ability to learn our complete set of class options and suggest the best ones for students
- Not afraid to pick up the phone and follow-up outstanding invoices
- Call all Trial class and Workshop attendees for feedback
- Able to think on their feet, come up with solutions quickly and manage multiple tasks simultaneously and to fruition
- Proficient in MS Office suite and a dance/gym relevant CRM
- Dance qualifications highly regarded
- Blue Card essential

Please send through a short cv & video of a recent performance.
Only successful candidates will be contacted for interviews.
